Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in response to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 13-22 and 42-45, drawn to a structural scaffold member with roughened surface.

Group II, claim(s) 31-39, 46 and 47, drawn to a structural member with nodes.

The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Group I does not have the special technical of the nodes, and Group II does not have the special technical feature of the roughened surface.
